**Web site:** [www.mediamat.com](http://www.mediamat.com)

**Company Description:** MediaMation, Inc. is an entertainment systems integrator providing creative solutions for complex interactive shows, attractions, rides, exhibits, interactive virtual fountain shows and 4D theater environments, worldwide. Theme parks, museums, themed environments, interactive exhibits, motion pictures and entertainment retail venues rely on MediaMation, Inc.'s creative ingenuity to design, implement and install interactive attraction technologies.

MediaMation, Inc.'s products and services include show controls, audio/video and lighting systems and integration, automation, robotics, animation, motion control, motion simulators, custom show control software and hardware (ShowFlow™, VidShow™) which has allowed MediaMation, Inc. to become an unparalleled leader in their industry.

The newest product offerings include MediaMation, Inc.'s exclusive X-4D theaters, seating and mobile trailers, which are the only 4D EFX environments to include full motion control special effects seating (seat vibrators, front air and water blasts, seat ticklers, seat poppers, overhead environments (wind, rain, snow, bubbles, fog, aroma, lighting strobes)) and 5.1 surround sound. MediaMation, Inc.'s Virtual Fountain™ are the newest fad in retail venues showcasing animated dancing fountain shows custom programmed.
